Each Outdoor Education program is custom designed for your group or class. Students will rotate in small groups of 8 – 12 people through a schedule of selected courses. For a one day program there are 3-4 classes. For a 3 day program there are up to 6 classes. Large group activities can also be arranged.

These rates are based on a **minimum** group size of 25 students for a one day program and 40 students for a resident program. Groups that are smaller may be charged additional fees. Please call for rates. The rates include all instructed classes, meals, snacks and applicable lodging.

Rates may vary for special events, additional courses or evening activities/speakers.

The rates do not include health service. We strongly recommend that your group bring a licensed nurse/EMT/doctor. If you would like us to provide a nurse, the cost will be \$120.00 per day.

* **Important Information:**

We ask that your school/group bring one chaperone/teacher per ten children. We ask this because your school is responsible for providing supervision during free time each day (4:00 p.m. – 6:00 p.m.) and after dinner through bedtime in the evening (after 7:00 p.m.) if there are no special events/speakers planned.
