LOVE GIRLS 1

I'll definitely miss Girls 1! (#squad). Seeing these girls everyday made me smile each and everyday. Of course we had arguments sometimes, but we worked it out and got over it. Our bond has gotten so strong over the last 2 weeks and I can proudly say these are my SISTERS!! I will always remember you guys <3 xoxoxo

Thank you to everyone for keeping Girls One in check. You guys always motivated us to get along with our cabin mates and to respect our counselors. Also, a special shout out to my girls. You were the ones to always care for me and make my nights and days "Lit": #SQUAD.
